

ABDULMATEEN AYOBAMI ISMAIL

Front-End Developer | React | Next.js | TypeScript

Lagos, Nigeria | ayobamidolapo419@gmail.com | +234 816 475 8649 | github.com/abunusaybah1

PROFESSIONAL SUMMARY

Front-End Developer with hands-on experience in developing user-facing features, building and maintaining high-quality user interfaces, and implementing responsive design using HTML5, CSS3, JavaScript (ES6+), React, and Next.js. Able to collaborate closely with backend engineers, product, and design, integrate APIs, implement reusable components and clean UI architecture, write clean, maintainable code, optimize performance, loading speed, and user experience, and troubleshoot and debug applications using browser developer tools.
